INTER-OFFICE CORRESPONDENCE

REILLY TAR & CHEMICAL CORPORATION

TO: Mr. H. L. Finch - St. Louis Park OFFICE: Indianapolis

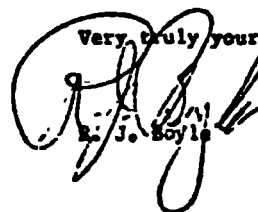

FROM: R. J. Boyle DATE: March 7, 1972

SUBJECT: ST. LOUIS PARK - PROPERTY

In reviewing the matter of sale of the St. Louis Park property to the City of St. Louis Park with Mr. P. C. Reilly upon my return from visiting your plant, it was suggested: (1) that the City be required to restore the sewer area in the north end of the plant or allow something in the way of compensation for the damage done us; (2) that in the proposition of sale the City provide that we shall have the right to enter the south triangle of the property not involved in the sale from either First Street or Walker Avenue; and (3) that the terms of the sale shall provide that the City will grant us the right (even though it is not possible to explain now how we could exercise such right) to enter the north triangle not sold to the City from Second Street.

Will you kindly keep these matters in mind.

Very truly yours;

R. J. Boyle
